LB 412A, 414A

in my district whom I represent and who I pledged to try to reduce the cost of government.

SPEAKER MARVEL: The motion is the advancement of LB 412A to E & R for review. Are you ready for the vote, Senator Keyes?

SENATOR KEYES: I would say just one thing that if you feel the amount of dollars in this are too high I advise you right now to pass this bill on across, and when it gets to Final Reading, if anybody comes to me, I probably will help him and support cutting. I am a little concerned about a department that is going to spend a million dollars, even if it is state money and federal funds, but the Governor of this state wants this office kept and I certainly do not oppose him. I may cut his funds some though later on. Thank you. I move for the advancement of the bill.

SPEAKER MARVEL: All those in favor of advancing LB 412A to E & R for review vote aye, opposed no. Have you all voted? Record.

CLERK: 26 ayes, 1 nay on the motion to advance the bill, Mr. President.

SPEAKER MARVEL: The motion carried and the bill is advanced and the next noncontroversial A bill is LB 414. Is that yours, Senator Keyes?

CLERK: Mr. President, LB 414A. Title read. The bill was first read on March 28. It was advanced directly to General File, Mr. President.

SPEAKER MARVEL: Senator Keyes.

SENATOR KEYES: Just a minute until I get to the bill. I move for the advancement of the bill and pretty soon I will come to it. The cost of this bill is \$5,265. LB 414A. This is the one on the public accountant. Yes. I move for the advancement of this bill. It is \$5,265 and it has to do with the accountant fund from July 1st to June 30th of 1980.

SPEAKER MARVEL: Okay, the motion is the advancement of LB 414A. All those in favor of that motion vote aye, opposed no. Have you all voted? There are three other A bills after this one on this General File, item #6. Have you all voted on this one? Senator Keyes, what would you like to do with the bill?
